

Voting (Guarantor) Members application

Voting (Guarantor) members have similar rights to shareholders. They can vote at AGMs and nominate and stand for board membership.

Applicants must show productive involvement with us and support our aims i.e.: *advance the education of the public in issues relating to human population worldwide and its impact on environmental sustainability; advance, promote and encourage research to determine optimum and ecologically sustainable human population levels in all and any parts of the world and to publicise the results of such research, and; advance environmental protection by promoting policies in the United Kingdom or any other part or parts of the world which will lead to or contribute to the achievement of stable human population levels which allow environmental sustainability.*

They pay standard membership fees and are liable for £50 in the event of our insolvency. Please note that the names and addresses of current and past Guarantor Members are required by law to be provided to anyone who requests access to it and can provide a proper purpose for their request.
